Say hello to a new era of cold recovery, the Am-Finn Chill Chamber. Our State-of-the-art design offers maximum recovery

- Custom-designed Luxurious Moon-glow Ceiling with Lighting Custom
- Benching
- Full Glass Door with Chrome C
- Powerzone 100 Auto-Sterilizer All Included

Cutting-edge technology attention to detail and cleanliness, the Am-Finn Chill Chamber guarantees that you experience the benefits of cold therapy in the most hygienic, luxurious and effective setting possible

Step into our meticulously crafted sanctuary engineered with custom cold scene acrylic panels. The cold atmosphere will envelope you, stimulating circulation, reducing inflammation and revitalizing your body and mind

Whether you are an athlete seeking cold therapy, a luxury health club seeking a more efficient product to bring clients in or a professional sports recovery center looking to set your athletes up for success. Let the Am-Finn Chill Chamber guide you through the ULTIMATE cold therapy journey.

Similar to our Advanced Hybrid Steam Rooms, Our Cool Room is a turn key cold therapy solution. Engineered with a freestanding aluminum frame and only requires an open space for our team to install!
